All figures in this sample are fictional and are included for chatbot testing.

FINANCIAL RESULTS

Year	Revenue	Students	Satisfaction
2024	\$120,000	300	84 percent
2025	\$150,000	360	90 percent

Revenue increased by \$30,000 from 2024 to 2025.
The number of students increased by 60 over the same period.
Student satisfaction was highest in 2025 at 90 percent.

STUDENT ENROLLMENT PROCESS

1. A family submits the online enrollment form.
2. The admissions team checks the form and confirms the student's age.
3. The family receives a placement meeting time within three business days.
4. After the meeting, the center emails an enrollment decision within two days.
5. Accepted families submit the signed agreement and first-month payment.

READING PROGRAM

The reading program meets twice a week for 45 minutes per session.
Students are grouped by reading level, not by age.
